Crafting Quality, Delivering Excellence

2026

Neil Doherty
Director

WELCOME

Dear Valued Customers,

Thank you for your continued support and partnership throughout 2025 and a huge thank you to our dedicated Wafer team for helping us deliver another successful year.

We are delighted to introduce our exciting and innovative 2026 collection!

This year, we are launching a range of new product innovations designed to elevate your offering and inspire creativity across the ice cream category. From improved favourites to brand-new additions, our focus remains on delivering exceptional quality, reliability, and fresh ideas that help your business thrive.

As we expand and evolve, our commitment to excellence only grows stronger. We continue to invest in smarter manufacturing, more sustainable packaging, and forward-thinking product solutions. Continuous innovation remains at the heart of what we do, ensuring we always deliver the very best of what Wafer has to offer.

What truly drives us forward is the partnership we share with you. Your feedback, your passion, and your success fuel our innovation and our ambition to deliver excellence every day. Together, we look ahead to a season full of opportunity, exciting launches, and plenty of delicious moments.

We look forward to your continued inspiration as we work with you to deliver your goals in 2026 and beyond.

Warm regards,

Neil Doherty
Managing Director

ICE CREAM/GELATO TRAINING DAYS

Starting out with Ice Cream or Gelato can feel daunting but we're here to make it simple, enjoyable, and inspiring!

With over 20 years of industry experience, we provide hands-on training in a relaxed, friendly atmosphere.

From mastering a perfectly balanced base recipe to decoration and presentation techniques, we'll guide you through every step of the way.

We also host group demonstration days covering a wide range of topics, including: New recipe ideas (Gelato, Sorbet, Vegan, Gluten-Free), Semi-Freddo and Ice Cream Cakes, Seasonal flavours and trends.

Our demo days are a fantastic opportunity to meet others in the industry, share ideas, ask questions, and gain valuable knowledge.

Prefer training at your own premises? We can do that too just let us know what suits you best. Whether you're interested in one-to-one training or joining a group demo, we'd be delighted to help.

Contact us today to discuss your requirements!
